

My goals in occupational therapy are:

Draw a picture about your goals and write a few sentences.

Blank area for drawing and writing, consisting of a large empty space above five sets of primary-ruled lines (top solid, middle dashed, bottom solid).

My goals in physical therapy are:

Draw a picture about your goals and write a few sentences.

A large rectangular area for drawing and writing, divided into five horizontal sections. Each section consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for handwriting practice.

My goals in speech therapy are:

Draw a picture about your goals and write a few sentences.

A large rectangular area for drawing and writing, divided into six horizontal sections. Each section consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for handwriting practice.
