# Ice Gream Zones 

Directions: Hold five coins in your hand. Slide one coin to your thumb and index finger to place it over the coin pictured. Keeping the rest of the coins in your hand, flick or slide the coin forward to try and reach the ice cream. When the coin stops in a
 certain zone, record the number of points on the score sheet. Repeat with the other 4 coins. Total up your score. Person with the highest score is the winner!
