

Trace the lines from top to bottom.

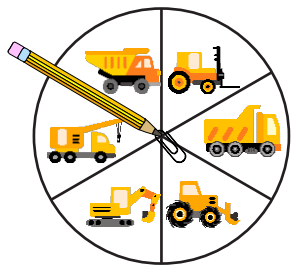

Trace the lines from left to right.

LINE RACING

Directions:

1. Place a paper clip in the middle of the circle.
2. Put a pencil tip in the middle of the paper clip.
3. Spin the paper clip with your finger.
4. Trace the lines below where the paper clip lands.
5. Repeat spinning the paper clip until all of the lines have been traced.
6. Try printing two pages. Spin and race against a friend to see who can trace all the lines first.

Tracing practice area with seven rows of dashed lines and construction vehicle illustrations:

- Row 1: Dashed line with a bump, flanked by two dump trucks.
- Row 2: Dashed line with a square bump, flanked by two cranes.
- Row 3: Dashed line with a zigzag pattern, flanked by two tractors.
- Row 4: Dashed line with a trapezoidal bump, flanked by two forklifts.
- Row 5: Dashed line with a bump and a dip, flanked by two excavators.
- Row 6: Dashed line with a bump and a dip, flanked by two dump trucks.
