Please read before printing Ebook from computer.

DIRECTIONS FOR PRINTING BUILDING BLOCKS:

Make sure on Adobe Reader that the printer page scaling is set to NONE. This will ensure that the block pictures will come out exactly the right size and shape as a real Duplo® block.

We recommend that you print the pages on cardstock paper and laminate for durability.

DIRECTIONS FOR PATTERN CARDS:

- Print out the sample pattern cards.
- Cut apart the cards.
- The child can build the block towers as pictured on each card.

DIRECTIONS FOR LARGER PATTERN CARDS:

- Print out sample pattern card.
- Laminate for durability.
- The child should count out the blocks necessary as pictured on the top of each page.
- Once all blocks are counted, the child should try to build the object pictured.
