

Be A Robot

Directions: Print this page and cut out the circles. Put tape on the back of each circle. Working in pairs, pick one person to be the robot and stick the buttons on his/her body (i.e. shoulder, knee, elbow, foot, hand, etc). The partner will control the robot. Press a button and the robot has to perform that action. Try to do the actions like a robot would (ie stiff joints).

Jump Up
and
Down

Walk
around
like a
robot

Bend
elbows
back and
forth

Bend
knees

Move
hands
like a
robot

Raise
right
arm up

Raise
left
arm up

Kick
your
right
leg

Kick
your
left
leg
