

Directions for Turkey Squares

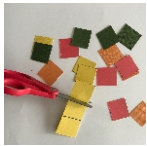

Step 1: Print out the page you would like to complete.

Page 1 - black and white

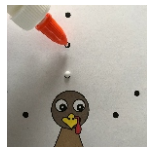

Page 2 - color

Page 3 - black and white you draw turkey

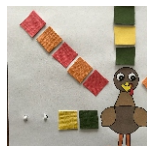

Page 4 - black and white with squares to color and cut

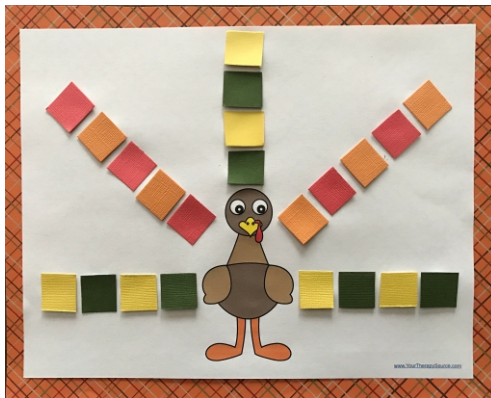

Step 2: Cut 3/4" strips of colored construction paper. Mark lines across the strips to create 3/4" squares. Child snips along the strip to cut out the squares.

Step 3: Child squeezes small glue dot in each circle.

Step 4: Glue colored squares onto glue dots. Make patterns.

Step 5: Glue turkey onto background paper. Let dry.
