

# DIRECTIONS FIND AND CIRCLE CANDY FACTORY GAME

1. Decide if you want to use the Google Slides interactive version or print the PDF version on page 2. Solution is on page 3 (don't peek).
2. For the Google Slides version, you will [need to click on this link to make a copy of the game](#) for your Google Drive.
3. Use the Google Slides version in EDIT mode. Students can click and drag the circles over each object when they find it.
