

DIRECTIONS FOR THE COIN ACTIVITIES

Print the following two pages and laminate them.

Provide the student with some assorted coins or you can offer them exact change for the pet shop page:

- 2 pennies
- 3 nickels
- 4 dimes
- 3 quarters

For the piggy back page, the students can sort the change and total it up in each bank.

For the pet shop page, the students can match the correct coins next to the pets.
