**JUMP UP, UP AND AWAY!**

Directions: Cut out the kite and each of the kite tails (include the gray boxes). Scatter the kite tails on the floor. Child squats down, picks the number 1 kite tail, performs the action the number of times on the kite tail (i.e. reach up overhead one time) and glue the tail to the kite at the gray box. Find kite tail 2 and glue on top of the gray box on kite 1. Now child reaches up 1x and squats 2x. Find kite tail 3, glue on to kite tail 2. Child then reaches up 1x, squats 2x and performs 3 toe touches. Repeat process until all 6 kite tails are on the kite.

Color, cut, and paste the kite.
