Roll it Games

Prep:

- * Copy. I recommend laminating the game board for multiple uses.

Materials needed:

- * Die
- * Game board
- * Paper, white board, worksheet
- * Writing utensil

Skills:

- * Turn taking
- * Drawing/handwriting
- * Visual perceptual skills

Directions for Roll and Draw:

- Have students take turns rolling and draw each part of the picture.
- Students must draw the parts in the order that they roll. This works on visual perceptual and executive functioning skills, as they must plan out where each part will go. Challenge them to complete the drawing without erasing.

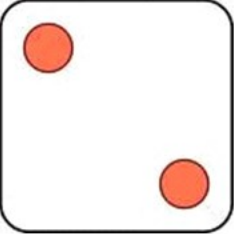

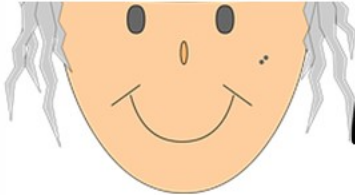

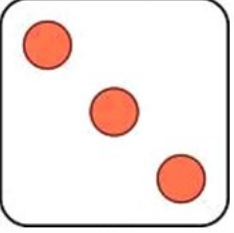

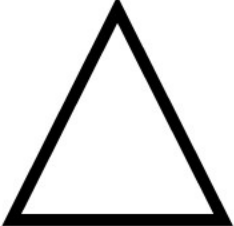

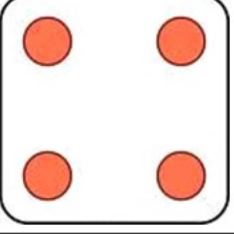

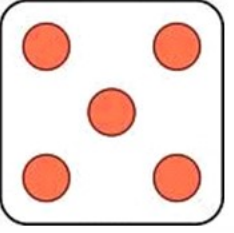

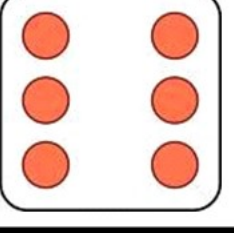

Roll and Color:

- Have students take turns rolling and color each part of the picture.
- If they roll the same number, they can roll again or skip a turn.
