THINK BEFORE YOU ACT

Directions: Cut apart the cards with the objects below. Place them face down in a pile. Give each player one board from the next page. Flip a card over. The first player to point and tap the correct object on their board wins the card.

- See the RULER and touch the SCISSORS
- See the PENCIL and touch the BOOK
- See the SCISSORS and touch the PENCIL
- See the BOOK and touch the RULER

THINK BEFORE YOU ACT

Directions: Use the cards from the previous page. Place them face down in a pile. Give each player one tap board from the next page. Flip a card over. The first player to point and tap the correct object on their board wins the card.

- See the RULER and touch the SCISSORS
- See the PENCIL and touch the BOOK
- See the SCISSORS and touch the PENCIL
- See the BOOK and touch the RULER

Want more physical activity? Hide the cards around the room or outdoors. On GO find the cards and place the object on the tap boards in the correct location. For example, if you find a ruler put it on top of the scissors.
