

# Let's Draw Hair

Print the next two pages.

Hit play on this video <https://youtu.be/xZQ2YRDM1rsv> or use the QR code to listen to the music and follow the directions to draw the hair on the faces.

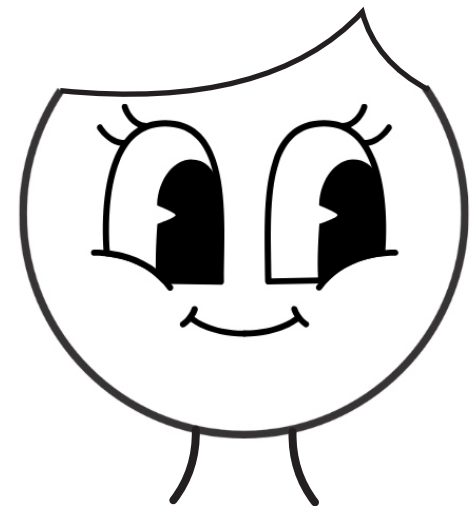

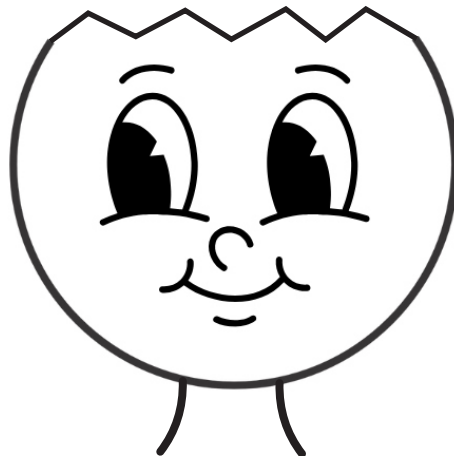

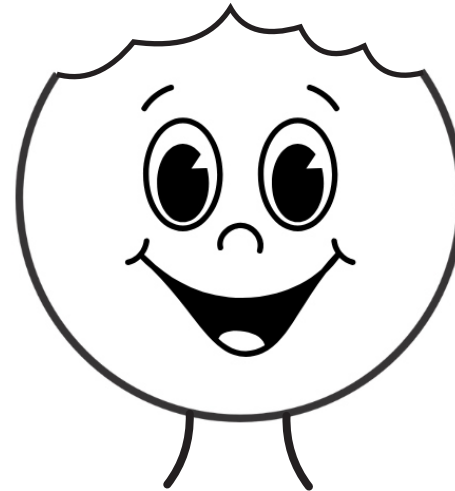

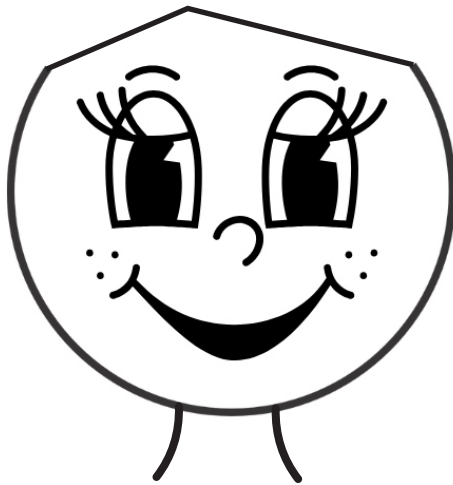

The first page has visual cues for which type of hair to draw - straight, curly, zig zag and wavy.

The second page does not provide visual cues.

You can either listen to the music and follow the directions or free draw hair on the faces.
