

HOW TO ASSEMBLE THE LONG MAZE

1. Print the pages.
2. Use scissors to cut off the edges of Maze 2, 3, and 4 on the left hand side.
3. Line up the maze pages matching up the lines.
4. Tape the pages together and the top and bottom.

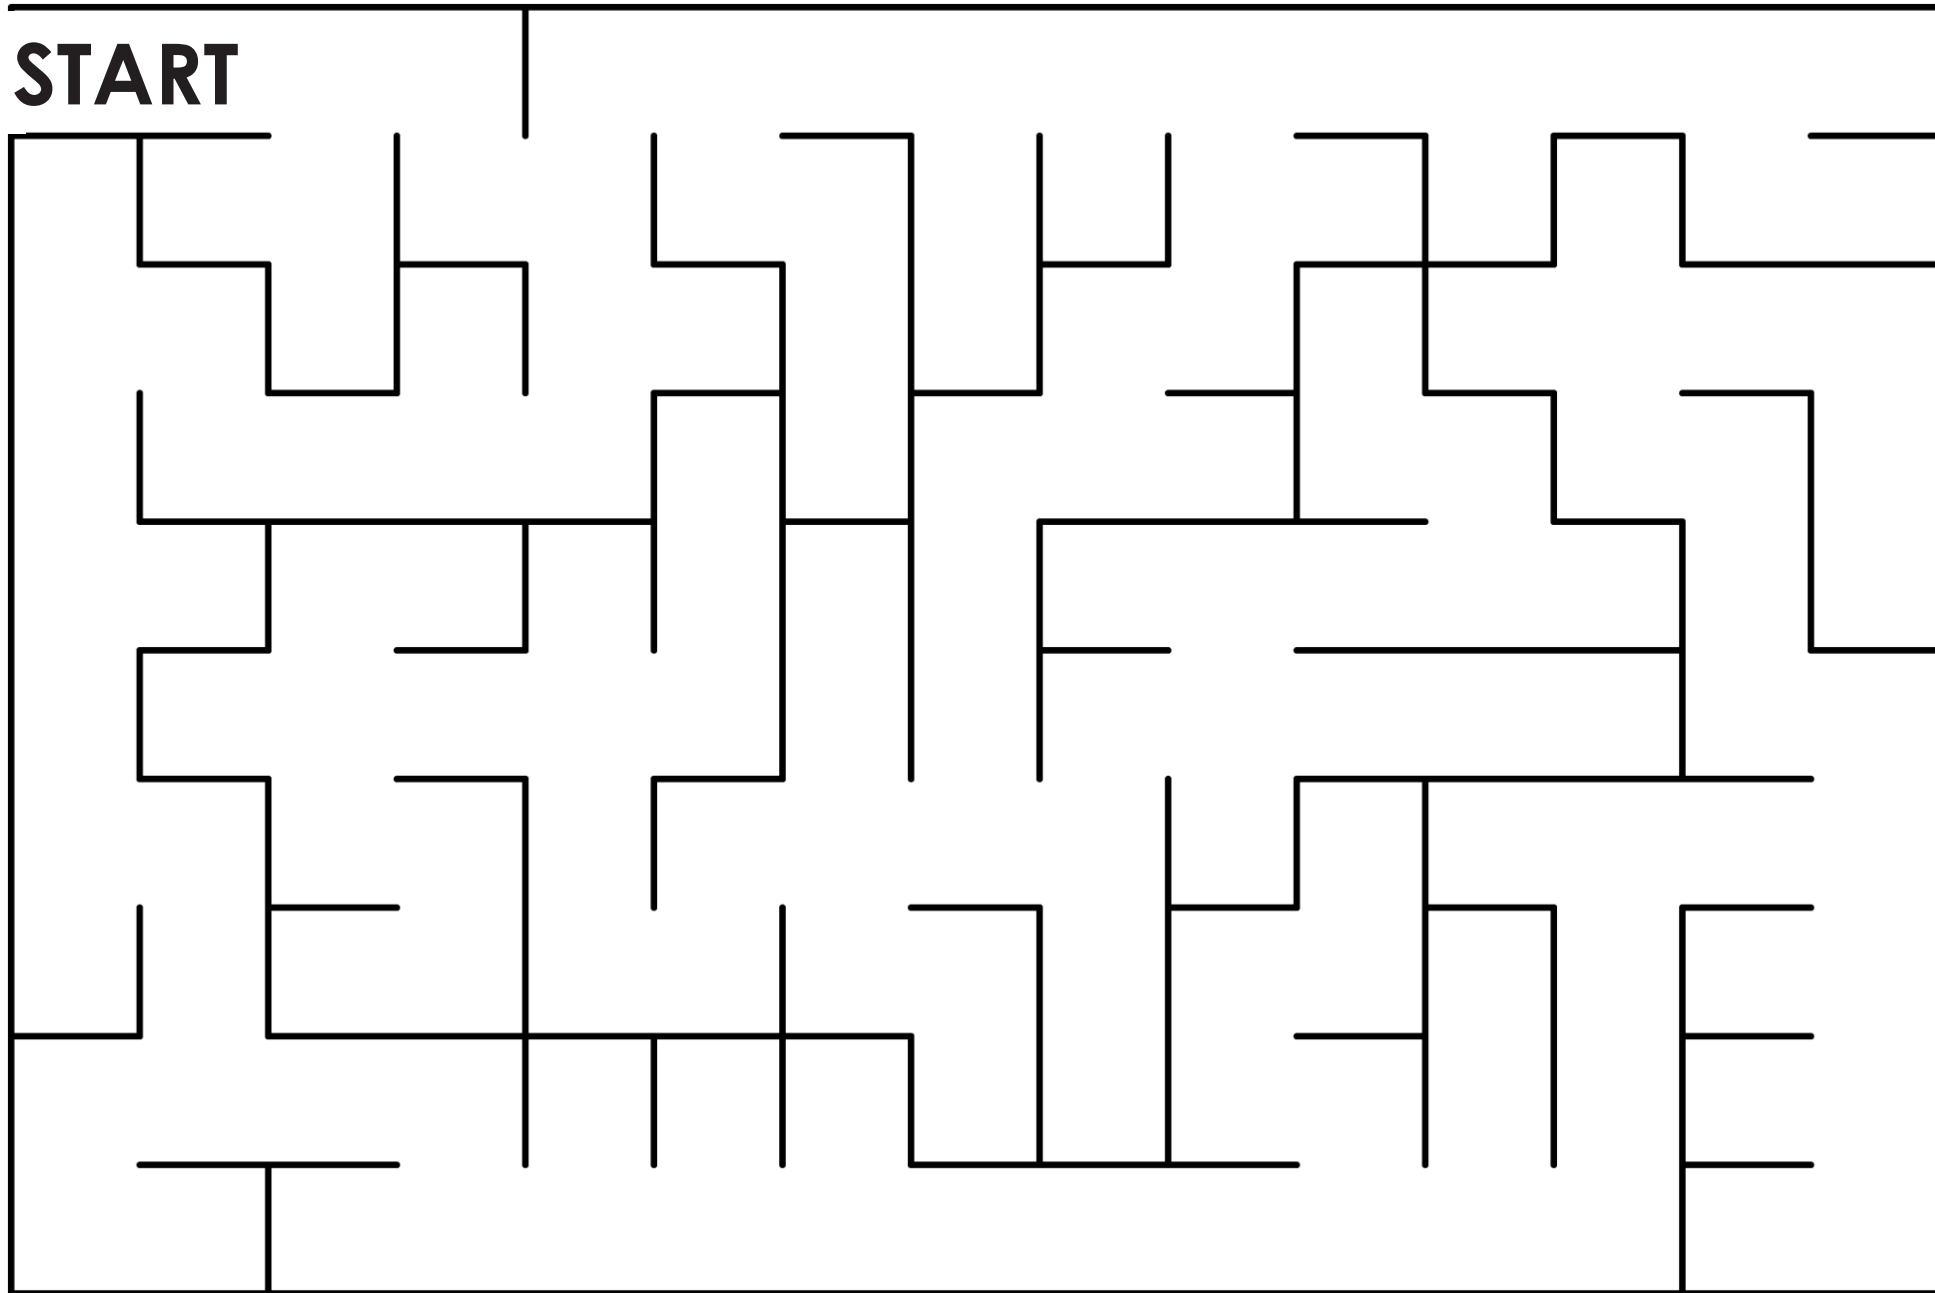

IDEAS FOR USE:

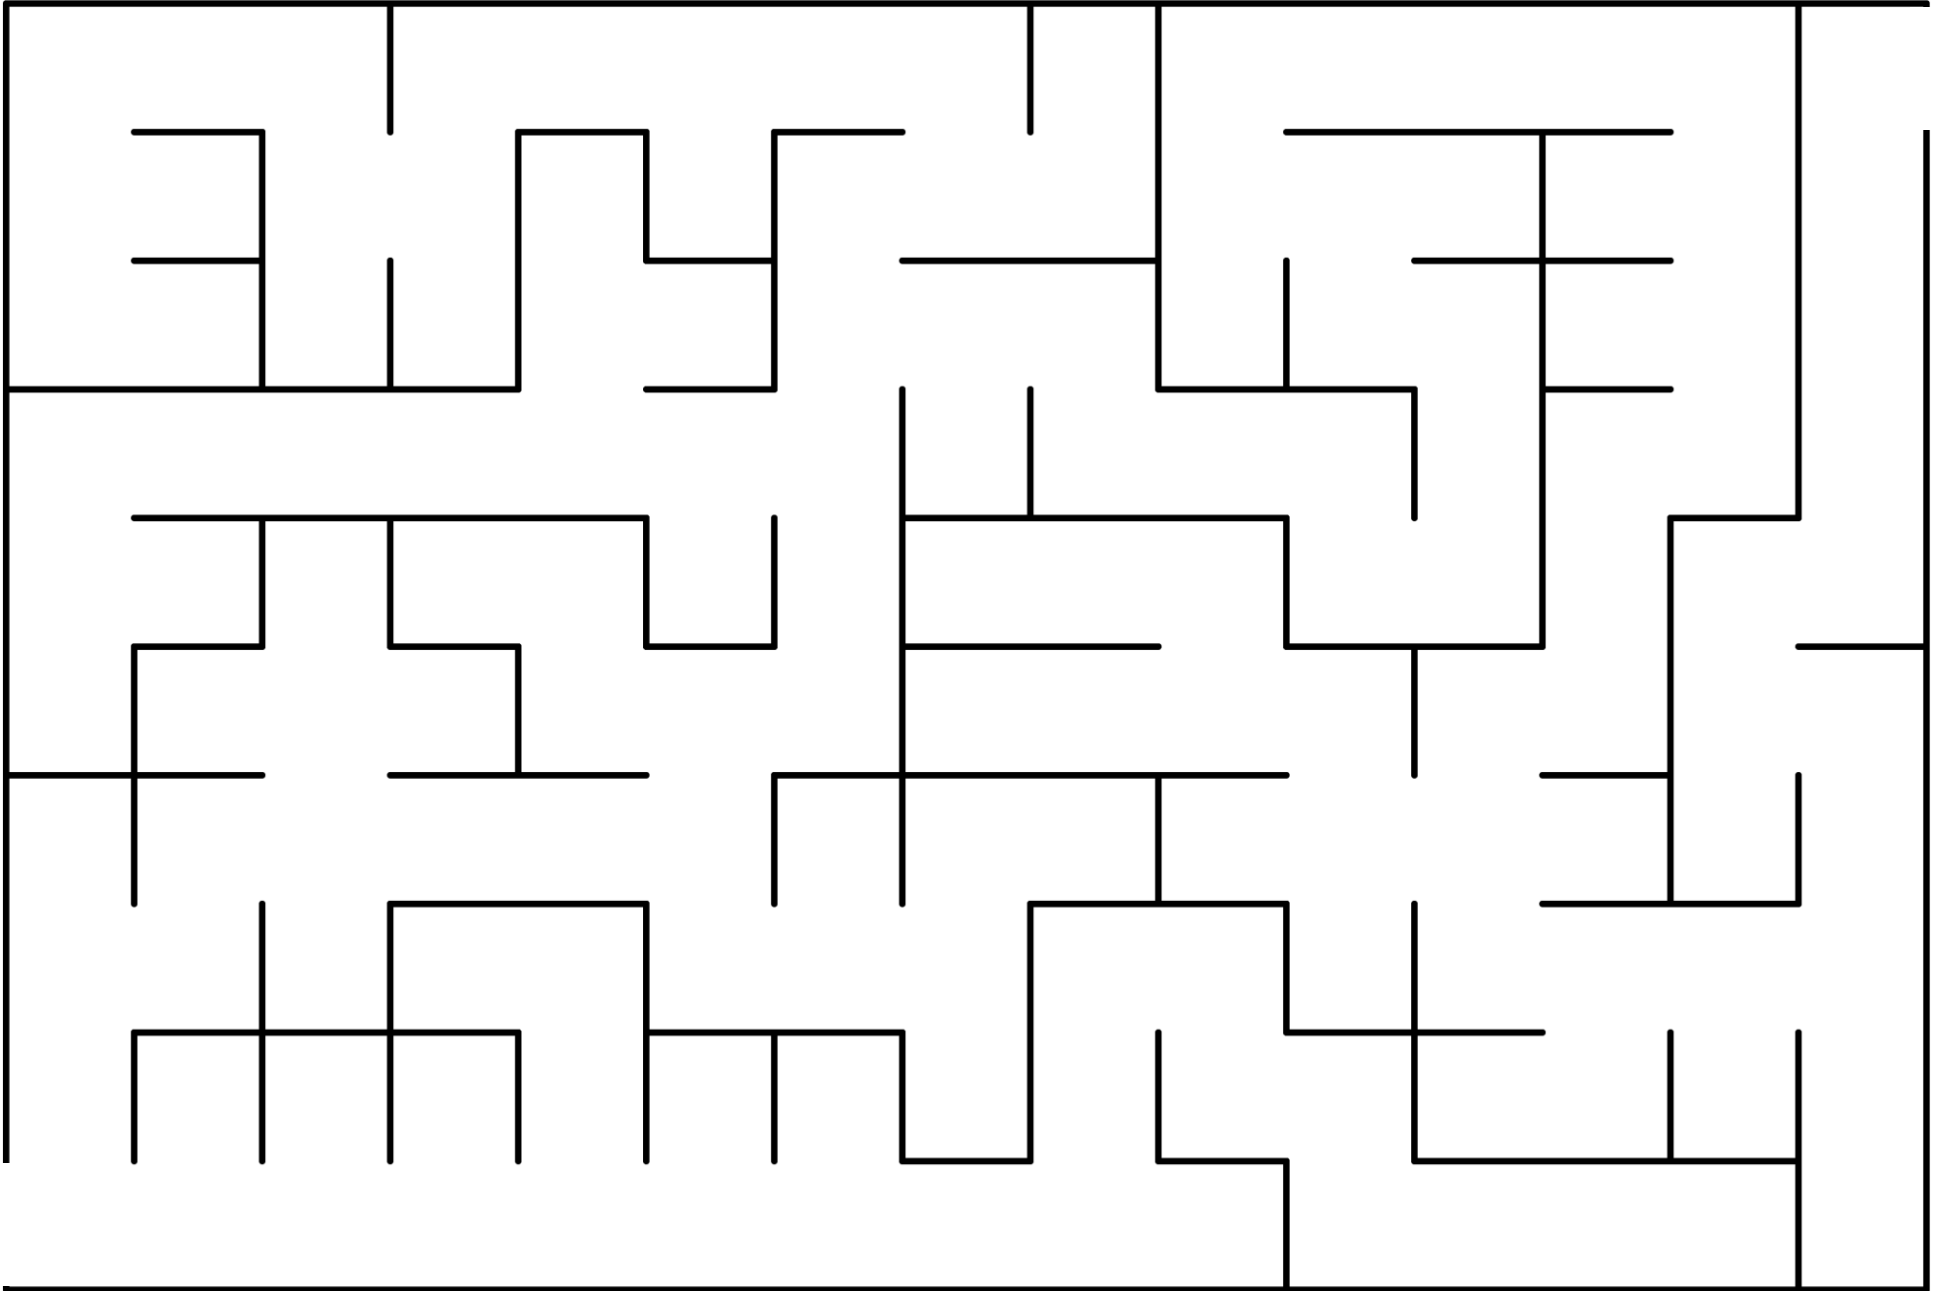

- Hang on the wall and complete the maze using your finger, pencil or a pointer.
- Stand further back and use a laser pointer to move through the maze.

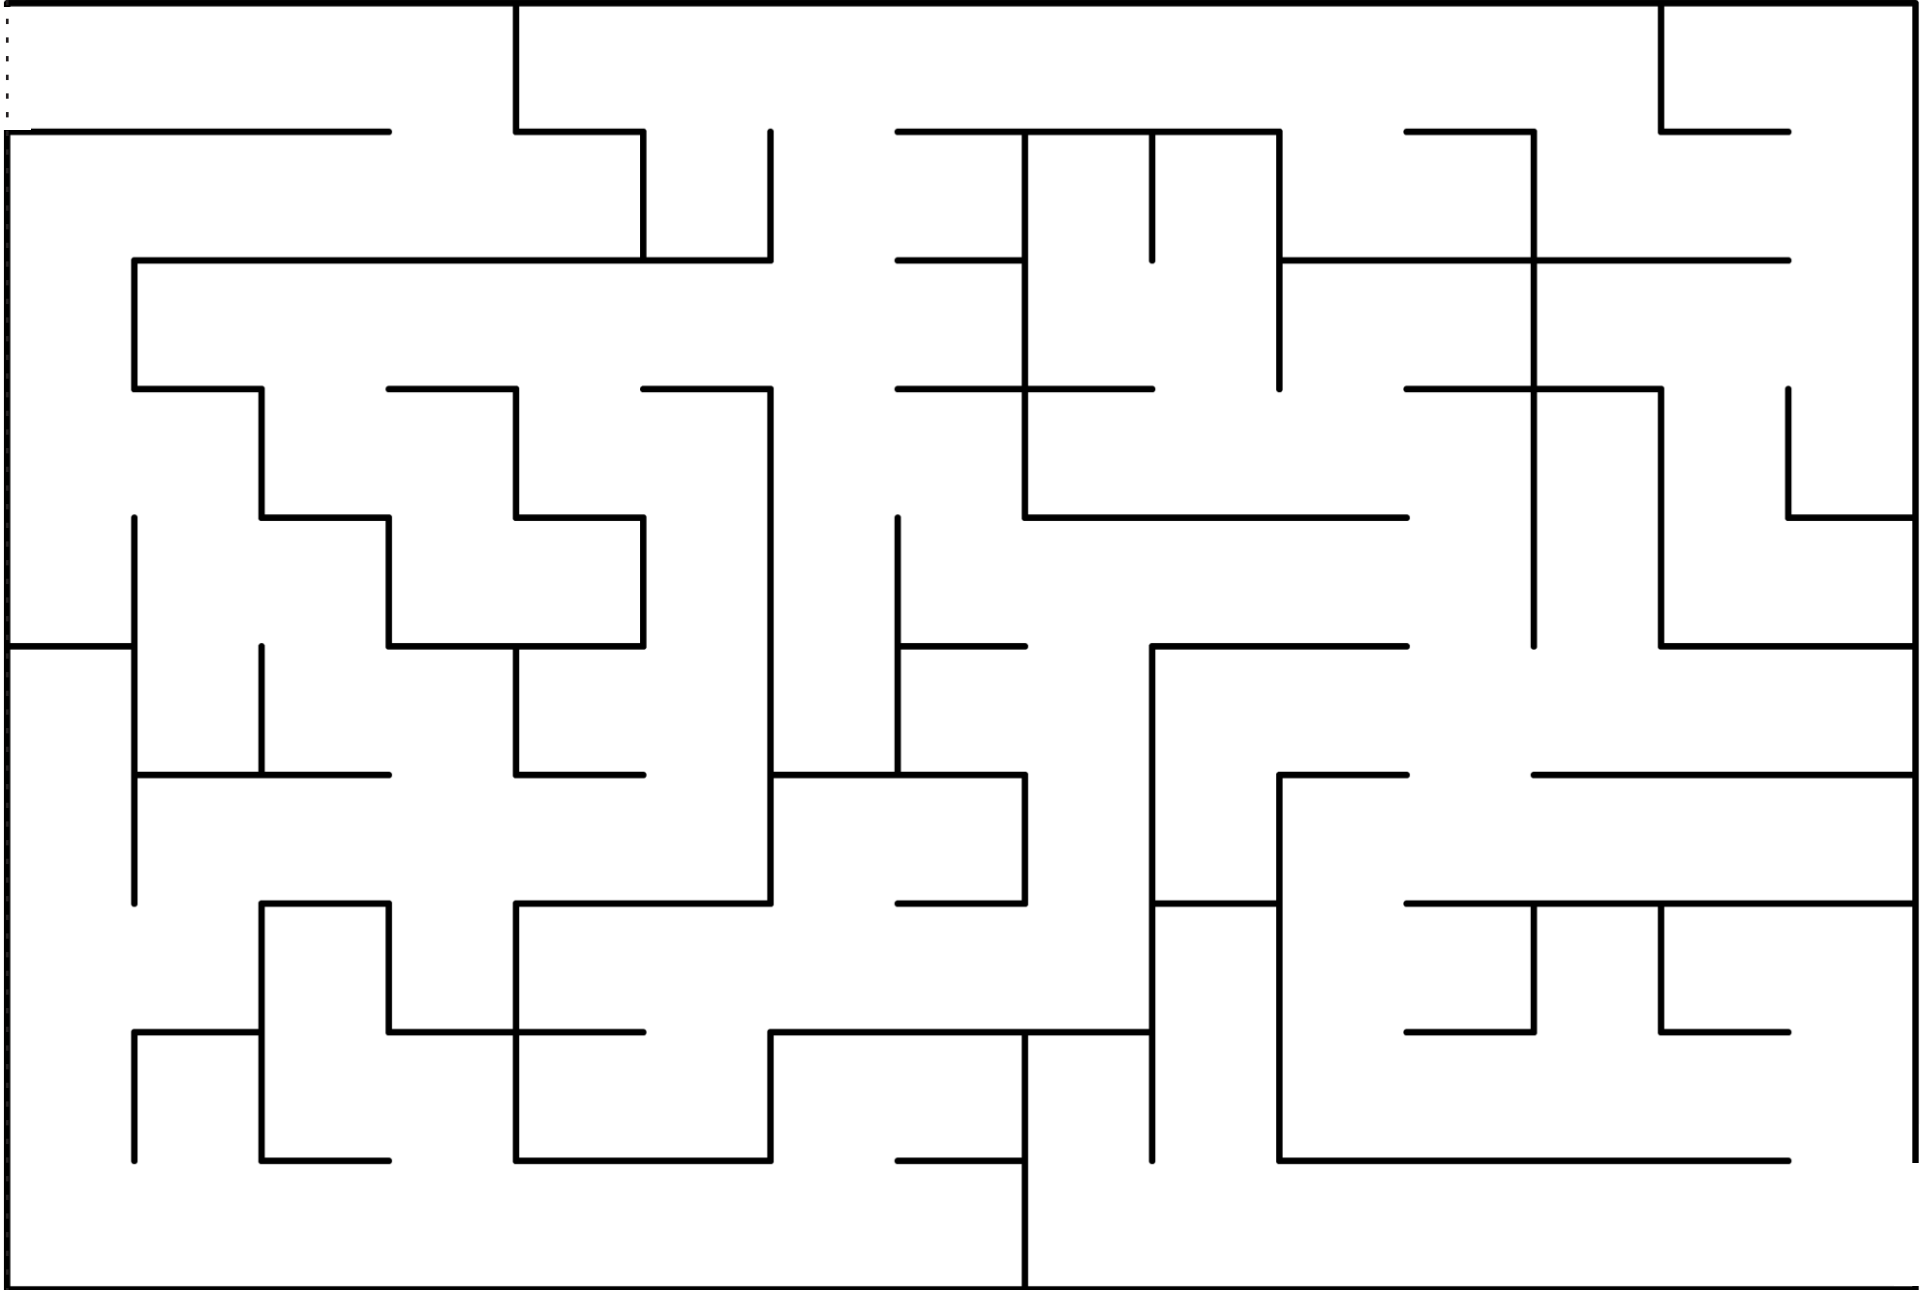

TIP: Encourage the child to stay in the middle of the maze so they have to cross midline to complete it.
